

## Clarification Statement

### **“Dominant Opto Technologies Sdn Bhd to invest RM1.3 billion within 5 years from 2022”**

Dominant Opto Technologies Sdn Bhd has a **5 years investment plan** to invest additional RM1.3 billion investment (inclusive of a 10 storey manufacturing plant) in Melaka **from this year onwards**. We would like to clarify the term of investment disclosed in the articles below, i.e the plan for investment of RM1.3billion is within 5 years instead of 1 year as stated herein :

a) The Edge

“Dominant Opto Technologies to add RM1.3b investment in Melaka”

First paragraph: MELAKA (Feb 7): Dominant Opto Technologies Sdn Bhd, an automotive light-emitting diode (LED) manufacturer, will make an additional RM1.3 billion investment **this year** in Melaka.
